## **DETAILED ACTION**

### ***Allowable Subject Matter***

1. Claims 1-4, 8 and 9 are allowed.
2. The following is an examiner's statement of reasons for allowance: Prior art of record fails to disclose or reasonably suggest the reflective or half transmissive liquid crystal display having a first polarization plate and a first phase difference plate being arranged successively on an outer surface of the first transparent substrate; a second polarization plate having a first average refractive index for a direction perpendicular to a display plane and a second average refractive index in a direction parallel to the display plane, a second phase difference plate having a first average refractive index for a direction perpendicular to the display plane and a second average refractive index for a direction parallel to the display plane; the second polarization plate and the second phase difference plate being arranged successively on an outer surface of the second transparent substrate; a liquid crystal layer disposed between the first and second transparent substrates and having a first average refractive index for a direction perpendicular to the display plane and a second average refractive index for a direction parallel to the display plane.
3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Art Unit: 2812

***Conclusion***

4. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. References not applied are considered state of the art in the area of semiconductor manufacture.
